4.2 Additional EU/ENI/ENPI Projects

- StandUp! - Sustainable Textile Action for Networking and Development of circular economy business ventures in the Mediterranean, an EU-funded project under the ENI CBC Med program.
- TEC-MED – Social-ethical care model for dependent populations
- PPI4MED – Public procurement of innovation & living labs
- ECOSYS – National innovation ecosystem strengthening
- TED-PPP – Public-private dialogue for business environment reform
- WOMEN-UP! – Women entrepreneurship & microbusiness support
- MEDUP – Social entrepreneurship in the Mediterranean
- INNOEGYPT (ENPI/TVET II) – Start-up incubation & job creation

These projects demonstrate **EXACT's Capacity** in:

- **Innovation ecosystem development:**
 - Fostering collaboration, supporting incubators & accelerators, strengthening regional innovation networks.
- **Green transition and circular economy**
 - Promoting sustainable practices, resource efficiency, waste reduction, and renewable energy adoption
- **Social entrepreneurship and women's empowerment**
 - Supporting social enterprises, advancing gender equality, and empowering women leaders and business owners.
- **Public-private dialogue and policy support**
 - Facilitating stakeholder engagement, advising on policy formulation, and building consensus for reform.
- **Technology transfer and commercialisation**
 - Bridging the gap between research and market, facilitating lab-to-market transition, and IP management
- **SME acceleration and investment readiness**
 - Providing growth support, mentorship, access to finance, and preparing SMEs for investment.

5. TERRITORIAL EXPERTISE

EXACT has deep knowledge of the **Mediterranean and MENA context**, particularly:

-  Water scarcity & climate stress
-  Green transition challenges for SMEs
-  Limited access to green technologies
-  Financial barriers & lack of tailored instruments
-  Fragmented innovation ecosystems
-  Policy gaps in sustainable agriculture & WEF Nexus

The company aligns its work with:

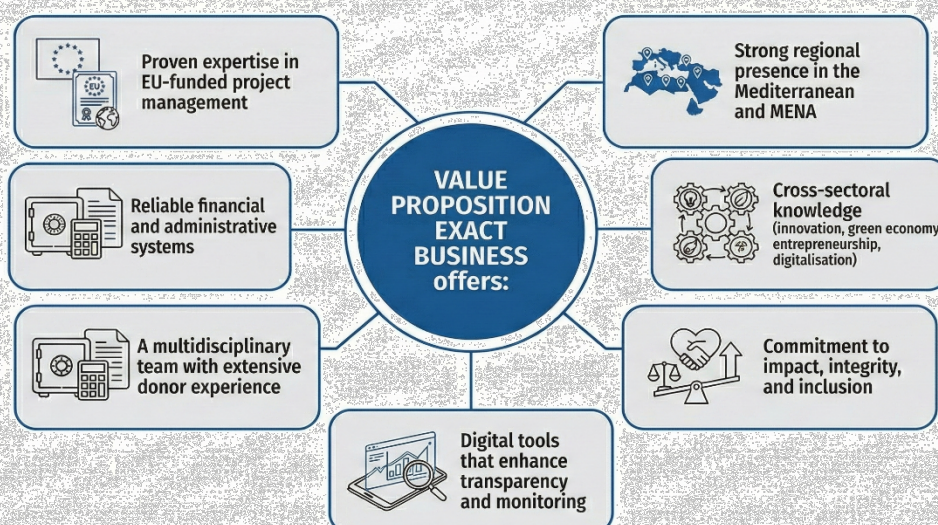

- **Egypt Vision 2030 – Sustainable Development Strategy**
- **Mediterranean Green Economy Initiatives**
- **International Olive Council (IOC) standards**
- **EU Green Deal, Farm to Fork, Circular Economy Action Plan**

7. VALUE PROPOSITION

EXACT BUSINESS offers:

- **Proven expertise** in EU-funded project management
- **Strong regional presence** in the Mediterranean and MENA
- **Cross-sectoral knowledge** (innovation, green economy, entrepreneurship, digitalisation)
- **Reliable financial and administrative systems**
- **Digital tools** that enhance transparency and monitoring
- **A multidisciplinary team** with extensive donor experience
- **Commitment to impact, integrity, and inclusion**

VALUE PROPOSITION EXACT BUSINESS offers:

EXACT BUSINESS is a **trusted partner** for international consortia seeking high-quality implementation, compliance, and measurable results.
